

Stone Court Farm's Pastured Egg Shares

2013 Order Form

This year, we will be offering egg shares from our beautiful flock of heritage breed hens. Most of the eggs will be brown eggs, but we also have 6 Ameraucana hens, which lay beautiful light green eggs, so you can expect some colorful surprises in your egg box. Our laying flock is relatively small—only 24 hens—so egg shares will go to the first 12 or so customers who reserve them!

You will receive your egg share each week from mid-April until early- to mid-November. Depending on where you live, you may be on our delivery route! (Otherwise, egg shares can be picked up from the farm or from a to-be-designated pickup location.) After we receive your order, we'll call to arrange how you'd like to get your eggs.
